Authority for This Rulemaking

The FAA's authority to issue rules regarding aviation safety is found in Title 49 of the United States Code. Subtitle I, Section 106 describes the authority of the FAA Administrator. Subtitle VII, Aviation Programs, describes in more detail the scope of the agency's authority. This rulemaking is promulgated under the authority described in Subtitle VII, Part A, Subpart I, Section 40103. Under that section, the FAA is charged with prescribing regulations to assign the use of airspace necessary to ensure the safety of aircraft and the efficient use of airspace. This regulation is within the scope of that authority as it amends the Class E airspace extending upward from 700 feet above the surface at Frankfort Dow Memorial Field, Frankfort, MI, to support instrument flight rule operations at this airport.

History

The FAA published a notice of proposed rulemaking (NPRM) in the **Federal Register** (86 FR 48921; September 1, 2021) for Docket No. FAA-2021-0703 to amend the Class E airspace extending upward from 700 feet above the surface at Frankfort Dow Memorial Field, Frankfort, MI. Interested parties were invited to participate in this rulemaking effort by submitting written comments on the proposal to the FAA. No comments were received.

Class E airspace designations are published in paragraph 6005 of FAA Order JO 7400.11F, dated August 10, 2021, and effective September 15, 2021, which is incorporated by reference in 14 CFR 71.1. The Class E airspace designations listed in this document will be published subsequently in FAA Order JO 7400.11.

Availability and Summary of Documents for Incorporation by Reference

This document amends FAA Order JO 7400.11F, Airspace Designations and Reporting Points, dated August 10,

2021, and effective September 15, 2021. FAA Order JO 7400.11F is publicly available as listed in the **ADDRESSES** section of this document. FAA Order JO 7400.11F lists Class A, B, C, D, and E airspace areas, air traffic service routes, and reporting points.

The Rule

This amendment to 14 CFR part 71 amends the Class E airspace extending upward from 700 feet above the surface to within a 7.2-mile (increased from a 6.4-mile) radius of Frankfort Dow Memorial Field, Frankfort, MI; removes the Manistee VOR/DME and associated extension from the airspace legal description; and updates the name (previously Frankfort Dow Memorial Field Airport) and the geographic coordinates of the airport to coincide with the FAA's aeronautical database.

This action is due to an airspace review caused by the decommissioning of the Manistee VOR, which provided navigation information for the instrument procedures this airport, as part of the VOR MON Program.

FAA Order JO 7400.11, Airspace Designations and Reporting Points, is published yearly and effective on September 15.

Regulatory Notices and Analyses

The FAA has determined that this regulation only involves an established body of technical regulations for which frequent and routine amendments are necessary to keep them operationally current, is non-controversial and unlikely to result in adverse or negative comments. It, therefore: (1) Is not a "significant regulatory action" under Executive Order 12866; (2) is not a "significant rule" under DOT Regulatory Policies and Procedures (44 FR 11034; February 26, 1979); and (3) does not warrant preparation of a regulatory evaluation as the anticipated impact is so minimal. Since this is a routine matter that only affects air traffic procedures and air navigation, it is certified that this rule, when promulgated, does not have a significant economic impact on a substantial number of small entities under the criteria of the Regulatory Flexibility Act.

Environmental Review

The FAA has determined that this action qualifies for categorical exclusion under the National Environmental Policy Act in accordance with FAA Order 1050.1F, "Environmental Impacts: Policies and Procedures," paragraph 5-6.5.a. This airspace action is not expected to cause any potentially significant environmental impacts, and no extraordinary circumstances exist

that warrant preparation of an environmental assessment.

BILLING CODE 4910-13-P

DEPARTMENT OF HOMELAND SECURITY

Coast Guard

33 CFR Part 100

[Docket No. USCG-2021-0816]

Special Local Regulation; Marine Events Within the Eleventh Coast Guard District—Another Dam Race

AGENCY: Coast Guard, Department of Homeland Security (DHS).

ACTION: Notification of enforcement of regulation.

SUMMARY: The Coast Guard will enforce the special local regulation on the

waters between river miles 179 and 185 (between the Roadrunner Resort and Headgate Dam), Parker, Arizona during Another Dam Race on November 13, 2021. This special local regulation is necessary to provide for the safety of the participants, crew, sponsor vessels of the rowing event, and general users of the waterway. During the enforcement period, persons and vessels are prohibited from entering into, transiting through, or anchoring within this regulated area unless authorized by the Captain of the Port, or his designated representative.

DATES: The regulations in 33 CFR 100.1102 for the locations described in Table 1 to § 100.1102, Item No. 19, will be enforced from 7 a.m. until noon on November 13, 2021.

FOR FURTHER INFORMATION CONTACT: If you have questions about this notification of enforcement, call or email Lieutenant Commander John Santorum, Waterways Management, U.S. Coast Guard Sector San Diego, CA; telephone (619) 278-7656, email MarineEventsSD@uscg.mil.

SUPPLEMENTARY INFORMATION: The Coast Guard will enforce the special local regulations in 33 CFR 100.1102 for the locations described in Table 1 to § 100.1102, Item No. 19, from 7 a.m. through noon on November 13, 2021 for Another Dam Race, Parker, AZ. This action is being taken to provide for the safety of life on navigable waterways during the rowing event. Our regulation for recurring marine events in the San Diego Captain of the Port Zone, § 100.1102, Table 1 to § 100.1102, Item No. 19, specifies the location of the regulated area for Another Dam Race, which encompasses portions of the Colorado River. Under the provisions of § 100.1102, persons and vessels are prohibited from entering into, transiting through, or anchoring within this regulated area unless authorized by the Captain of the Port, or his designated representative. The Coast Guard may be assisted by other Federal, State, or local law enforcement agencies in enforcing this regulation.

In addition to this document in the **Federal Register**, the Coast Guard will provide the maritime community with advance notification of this enforcement period via the Local Notice to Mariners and marine information broadcasts.

Dated: November 8, 2021.

T.J. Barelli,
Captain, U.S. Coast Guard, Captain of the Port San Diego.

[Docket Number USCG-2021-0775]

RIN 1625-AA08

Special Local Regulation; San Juan Bay for Jurakan Triathlon, San Juan, PR

AGENCY: Coast Guard, DHS.

ACTION: Temporary final rule.

SUMMARY: The Coast Guard is establishing a temporary special local regulation for navigable waters around the Isleta San Juan for the Jurakan triathlon event, San Juan, PR. The event includes a paddleboard competition around Isleta San Juan with approximately 30 competitive stand up paddleboard (SUP) participants. The temporary special local regulation is needed to protect personnel, vessels, and the marine environment from potential hazards created by the SUP race. The temporary special local regulation establishes a SUP race area where all persons and vessels, except those persons and vessels participating in or supporting the race, will be prohibited from entering, transiting, anchoring in, or remaining within the SUP race circuit unless specifically authorized by the Captain of the Port San Juan or a designated representative.

DATES: This rule is effective from 8:00 a.m. through 11:00 a.m., on November 13, 2021.

NPRM Notice of proposed rulemaking
§ Section
U.S.C. United States Code

II. Background Information and Regulatory History

The Coast Guard is issuing this temporary rule without prior notice and opportunity to comment pursuant to authority under section 4(a) of the Administrative Procedure Act (APA) (5 U.S.C. 553(b)). This provision authorizes an agency to issue a rule without prior notice and opportunity to comment when the agency for good cause finds that those procedures are "impracticable, unnecessary, or contrary to the public interest." Under 5 U.S.C. 553(b)(B), the Coast Guard finds that good cause exists for not publishing a notice of proposed rulemaking (NPRM) with respect to this rule because doing so would be impracticable and contrary to the public interest. The event is scheduled for November 13, 2021, and the Coast Guard did not have adequate time to clarify amplifying information or process the course race review. It is impracticable to publish an NPRM because we must establish this temporary special local regulation by November 13, 2021 in order to protect the public from the hazards associated with this event. Under 5 U.S.C. 553(d)(3), the Coast Guard finds that good cause exists for making this rule effective less than 30 days after publication in the **Federal Register**. Delaying the effective date of this rule would be impracticable and contrary to the public interest because immediate action is needed to minimize the potential safety hazards associated with the SUP race participants, participant vessels, and the general public.

III. Legal Authority and Need for Rule

The Coast Guard is issuing this rule under authority in 46 U.S.C. 70041. The Captain of the Port San Juan (COTP) has determined that potential hazards associated with the SUP race on November 13, 2021, will be a safety concern for anyone participating in the SUP race circuit around Isleta San Juan which includes certain waters of San Juan Bay. This rule is needed to protect participants, vessels, and the marine environment in the navigable waters within the temporary special local regulation while the duration of the SUP race as part of the Jurakan triathlon.

IV. Discussion of the Rule

This rule establishes a temporary special local regulation from 8:00 a.m. through 11:00 a.m. on November 13, 2021. SUP Action Paddleboard Co. is sponsoring the Jurakan Triathlon, where approximately 30 competitors will participate in the SUP race around Isleta San Juan. Small vessel craft including
